Sunday 6th September 2020 — 23rd Sunday Year A

A dog is left barking in a very small yard whilst the owners are out at work all day. A small boy spends his afternoons kicking a ball against an end terrace whilst the owners sit inside with gritted teeth. A new person joins a busy workplace but spends most of his or her time checking out Facebook on the company computer. What do we do about it? Perhaps we stay quiet hoping the problem will go away. Perhaps we tell ourselves that it's none of our business and turn a blind eye. At best we might contact someone in authority and make an anonymous complaint. Speaking face to face with the person that has offended us is probably the most difficult option.

We can often fight shy of confrontation. We do this for all sorts of reasons. Perhaps we want to stay popular and would prefer to preserve an outward show of friendship even though we are seething inside. Perhaps we dodge confrontation because we are afraid of having a row, or worse, afraid of losing a row. Our fears and insecurities lead us to behave less than honestly. Instead of confronting someone who has offended us directly, we procrastinate, beat about the bush, pretend it isn't really a problem, complain bitterly to anyone who will listen, or worse, we erupt with sudden frustration and anger out of all proportion to the original offence.

In Matthew's gospel we are given some straightforward advice on handling a grievance. Firstly, we should approach the person who has offended us in private and voice our concerns. In this way the dispute may be very quickly and very happily sorted out. But if the dispute cannot be sorted out in this way, then we should call on the help of a third party. A third party can often shed light where there was none before. A third party can see or suggest things that haven't previously been considered. A third party usually has the benefit of lending an opinion without anger or bias. It might seem like a lot of trouble to go to, to resolve a grievance, but sometimes a 'nipping it in the bud' approach can save a much greater grievance somewhere further down the line. How many people have allowed abuse, deception, injustice and even holocaust because they have kept quiet and avoided confrontation?

Saint Paul lends us some sound advice. "Love is the one thing that cannot hurt your neighbour." If we approach conflict with love and a genuine desire to put something right we have nothing to fear. To do nothing in the face of wrongdoing is not an option.

Please pray for: Students and Teachers; The Spread of the Gospel; Harvest; the Fruits of Human Work; The Reverent use of Creation; Justice and Peace in the World; All Victims of War; Young People; Prisoners and their families. Please pray for family members, parishioners, those we know who are unwell; we have a number of parishioners from both parishes who are quite unwell at the moment and we ask you to pray for them; for those in hospital, recovering from or awaiting surgery, all suffering

from COVID-19; for **Father Malcolm Cairns and Father Ian Hoskins** who are both poorly at this time; for all who have died recently; and for all whose anniversaries occur at this time.

Pilgrimage to the Holy Land—April 2021

After discussion with our Tour Operator, Tangney Tours, it has been decided that because of the Coronavirus, we have postponed our Pilgrimage to the Holy Land, planned for November of this year, and hope to travel in April 2021. Tangney Tours have now contacted those who were booked to travel. Unfortunately, some people have apparently cancelled their booking because of the change of date So there are now some spaces if anyone feels they would like to travel. Please contact Gill at Tangney Tours if interested on email - Gill@tangney-tours.com

Gift Aid Annual Declarations 2019-2020

Due to churches not yet being fully re-opened as a result of Covid-19, staff at the Diocesan Gift Aid Office have decided that this year they will only provide Gift Aid Declarations when specifically requested by an individual. "This is because it would be unfair to expect our Gift Aid Organisers to distribute the letters when most parishioners are not able to attend Mass as normal. We did consider posting the letters direct to donors but this would be very costly across the Diocese and was not considered a good use of funds in the current circumstances. Taking both of these points into consideration, we have therefore decided it will not be possible to produce letters for everyone this year. If anyone does specifically request confirmation of their donation details however, please direct them to either the Gift Aid Office (gift.aid@diocesehn.org.uk) or Michelle Dixon (michelle.dixon@diocesehn.org.uk) or Andrea Emson (andrea.emson@diocesehn.org.uk) and we will provide confirmation for them on an individual basis."

Mill Hill APF Red Mission Boxes

Mill Hill Mission Boxes can be brought to Church so that the Mission Box representatives can bank the money and send it off to Mill Hill. Because of the Coronavirus, we ask, if you are able, that you sanitise the outside of your mission box and bring it in a bag to Church.

We will then leave the boxes for several days before they can be emptied. We will let you know at a later date when these boxes can be collected. Many thanks.

The Zoom meetings are every Friday 3pm - 4.30pm but people can come or leave as they wish. Anyone interested should contact Margot Mitchell at margotact@gmail.com or on 07837760041

St Bede's Church, Bedlington

PLEASE NOTE: *There will be No Masses from Monday 7th—Saturday 12th September. Mass will resume on Monday 14th September. We will also resume the Saturday Vigil Mass on Saturday 19th September. So Masses that week will be ...*

- **Monday 14th September at 10am**
- **Wednesday 16th September at 10am**
- **Friday 18th September at 7pm**
- **Saturday 19th September at 5.30pm**

You can only book up to one week in advance so not bale to book for the Saturday vigil until Saturday evening of this week.

**PLEASE book your place at Mass by ringing
St Bede's Presbytery ☎ 01670 823 258
any evening from 6.30pm—8.30pm**

This is our preferred option for you coming to Mass rather than just turning up. We have only 35 places available. If you can attend Weekday Mass rather than a Vifil, please consider that. Please do not attend if you do not feel well, or if you are showing symptoms of the coronavirus. In line with Government and Episcopal recommendation, we are keeping information for NHS Track and Trace. When booking your seat at Church, we take your information [*name / telephone number*] and hold it for 21 days.

St Robert of Newminster Church, Morpeth

We have completed the Risk Assessment and the preparation of our volunteers, and we have been able to produce a rota for all helpers that lasts until January 2021. Masses will resume at St Robert's Church the week beginning Monday 14th September, with Mass on

- **Tuesday 15th September at 10am**
- **Thursday 17th September at 10am**
- **Saturday 19th September at 10am**
- **Sunday 20th September at both 9am and 11am.**

At St Robert's we will be operating a Telephone Booking System for all Masses. You will have to ring to book your place at Mass. There will be a designated telephone number which will be announced in next week's Newsletter and Facebook page. We have only 36 spaces available at any Mass and there is still no Sunday obligation, so we ask that you don't book for the Sunday Mass every week for the time being... think of others who might wish to come to Mass. Could you come to weekday Mass rather than a Sunday Mass? Mass will not be the normal Mass that we had before lockdown on 20th March. There are changes, that are all listed below and will be clearly displayed in Church upon arrival.

What is different at Mass?

The main changes at Mass are:

- * sanitize your hands on entry at the Church porch;
- * check your name off with the stewards;
- * Please wait for one of our volunteer stewards to lead you to your seat, please do not go on your own; you must sit in the place shown to you by the stewards as you cannot choose your own seat.
- * Please remain in the seat you have been shown to.
- * Holy Communion is distributed at the end of Mass;
- * Stewards will let you know when to move to receive Holy Communion;
- * Holy Communion is to be received in the Hand only;
- * please stretch out your hands as far as possible to maintain a social distance with the priest;
- * no words are spoken as Holy Communion is distributed in silence; If receiving a blessing this will also be given in silence
- * sanitize your hands on the way out of church
- * please remember to keep your social distance as you are leaving church and to give space so that others can pass.

"Doors Wide Open"

We have to keep doors fully open during Mass, for the circulation of air. You may need warm clothing if sitting near the back of church, especially as we move into Autumn!!

Toilet Facilities

We do not yet have any toilet facilities available at either of our Churches. When circumstances change we will let you know.

What time should I come to Church?

Please note that we are changing the times for coming into Church. After discussion with volunteers at Morpeth, we have decided that the Church will only be accessible 15 minutes before Mass begins. Stewards will arrive 20 minutes before Mass. So please do not arrive too early. We will also make this change at St Bede's Church, Bedlington and ask that you respect this change. The purpose of this is to follow Bishop's Conference guidelines that say that we should **"minimise the time that people are congregated in the church building"**. Government advice also says **"It is advised that the ceremonies and services should be concluded in the shortest reasonable time."**

Please remember Social Distancing

When attending Mass, we ask you to respect the social distancing guidelines. You should only be in close contact with those you live with or those in your "bubble". You shouldn't lean in to talk to fellow parishioners, nor attempt to shake hands or touch others. **It is good to talk to people outside Church after Mass, but please remember that you should keep your two metre distance and away from the church doors to allow others to safely exit church.** In benches, please also respect this guideline, stay in your own bench, in the seat you have been given, not moving to a different seat; please do not cross through other benches, so that we can avoid cross contamination and try not to touch any benches, other than the one you're sitting in.

Face Coverings

We now have to wear face coverings in all places of worship. We ask you to make sure you have a face covering when you come to Mass. Please remember that when receiving Holy Communion, you are supposed to remove the face mask from the ear loops, not by pulling down under your chin!!

Votive Candles

Please note that at the moment we do not have any Votive Candles available for lighting. We are not able to share tapers or lighters and have to avoid all possible occasions of people queueing up to light candles so that we can observe social distancing guidelines.

Funerals, Baptisms and Weddings

When we resume the celebrations of Baptism, Weddings and Funerals, we have to follow all guidelines we have been given, which limits attendances to 30 people in Church, following a "track and trace system" for all attending and a cleaning protocol after every event. There are other specific guidelines for all these celebrations which can all be found on the Bishop's Conference website www.cbcew.org.uk

The Collection at Mass

We are not allowed to pass around the collection baskets or bags due to possible cross-contamination, but we will have available in both our churches at all Masses, a basket near the back of church in which you can leave any collection envelopes or offerings. These then have to be placed into bags and left for 72 hours before anyone can count the offerings. It is therefore much better for our parishes if you set up a Standing Order or make an online BACS payment if possible.

No Singing, No Hymnbooks, No Mass books

We are not allowed to sing at Mass at the moment so hymnbooks are not available. We are unable to use Mass books or Missalettes or Mass cards for the text of Mass but If you have your own Daily or Sunday Missals, "Magnificat" or the "Universalis" App on your mobile you can use them for the texts of Mass.

The Changes to Mass and Why?

If anyone is wondering why we are having to make all the changes to Mass due to the COVID-19 Coronavirus pandemic, please check the Bishops' Conference website which gives the information and also has the links to the Government's advice for all Places of Worship. The Coronavirus COVID-19 is still with us and will be for some time; and at the moment, more and more people are venturing out, especially as our schools return and people return back to work, it is much more likely that the virus will continue to spread and therefore we need to do all we can to try to keep people safe when they come to Mass.

The Holy Father Pope Francis' Intentions for September 2020

Respect for the Planet's Resources:

We pray that the planet's resources will not be plundered, but shared in a just and respectful manner.

First Holy Communion Celebrations

Our Masses to mark First Holy Communion in June had to be cancelled and at the moment there is no sign of ever being able to celebrate a large First Holy Communion Mass this year, and possibly even into next year. I am very concerned that there is a great need for us to help our young people's spiritual journey of faith and I feel that they need to be able to receive Holy Communion as soon as possible. So I am inviting parents of the First Holy Communion children 2020 to speak to me to arrange for a quiet individual celebration of First Holy Communion for their child over the coming weeks and months. It will be held at one of our ordinary weekend Masses, with St Bede's children at the Vigil Mass and St Robert's children at the Masses on a Sunday. They will be able to wear their First Holy Communion clothing, but because we are restricted to small numbers at Mass, we will only celebrate one child per time, with up to 6 people attending per child (which will be one bench at Mass). I have already celebrated First Holy Communion for one young person from St Bede's and he is now regularly receiving Holy Communion when he comes to Mass. It is a great joy for me to see this and I hope that we will be able to celebrate others very soon. [We are not yet sure what we will do for next year's preparation and celebrations of FHC.] *Fr Peter*

Northumberland Listening Service

The Northumberland Listening Service has been running for several years, set up by the local catholic parishes in Northumberland, and has helped many people during that time. If there is something troubling you, if you feel affected by the difficulties around us with coronavirus, or trying to "get back to normal" or if there is any other issue troubling you that you need to talk to someone about, the number is "Northumberland Listening Service" ☎ 07732 980740.

An Act of Spiritual Communion

For those who are unable to attend Mass at the moment, and therefore unable to receive Holy Communion, this prayer for an Act of Spiritual Communion may be helpful. *My Jesus, I believe that You are present in the Most Holy Sacrament. I love You above all things, and I desire to receive You into my soul. Since I cannot at this moment receive You sacramentally, come at least spiritually into my heart. I embrace You as if You were already there and unite myself wholly to You. Never permit me to be separated from You. Amen.*

Confession or An Act of Perfect Contrition

The Sacrament of Reconciliation (Confession) is now available, but has to be celebrated according to the social distancing guidelines. Six months without the possibility of going to Confession has been very difficult, so its good to have this available again on a request basis. Please contact Fr Peter and we will try to arrange this for those who wish.

RECONCILIATION

For those who are unable to celebrate this Sacrament it is possible at the moment to make an Act of Perfect Contrition, as given in the Catechism [§1452] for these times. To make an act of Perfect Contrition, we simply need to turn to God and be, as it were, overwhelmed by God's mercy, acknowledge our sins, and then express in our own words or in the words of the traditional Act of Contrition, the sorrow we feel for our offences against the goodness of God. When we do that in all sincerity of heart, we may rest assured that God forgives our sins and that we come away from that Act of Perfect Contrition freed from those sins.

Lebanon Appeal

People throughout the world were shocked to see and read about the explosion in the port of Beirut several weeks ago. Aid to the Church in Need Lebanon expert Father Samer Nassif, said that the Christian zone of Beirut was "completely devastated", with at least 10 churches destroyed, 300,000 people homeless and many others suffering, with livelihoods "totally destroyed" by the blast. "Aid to the Church in Need UK" and "CAFOD", have both opened up Appeals for the People in Lebanon. If you can help perhaps you would consider donating via their websites. www.cafod.org.uk / www.acnuk.org

DEC Coronavirus Appeal

The Disasters Emergency Committee, of which CAFOD is one of 14 active members, have launched a nationwide Coronavirus Appeal to reach out to the poorest people of the world who are suffering from COVID-19, especially in Refugee Camps in war-torn countries of Yemen, Syria and South Sudan. You can visit the DEC website - www.dec.org.uk - to donate online, or visit the CAFOD website - www.cafod.org.uk - and also donate online.
